

DIGITO PITTURA

FOGLI PER PITTURA CON LE DITA

L'ALFABETO

DIGITOPITTURA

Con le dita dipingiamo,
ogni lettera impariamo.

La "A" come un aeroplano,
la "B" è un bottone strano!

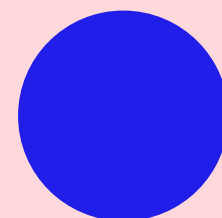

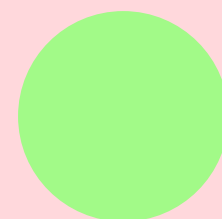

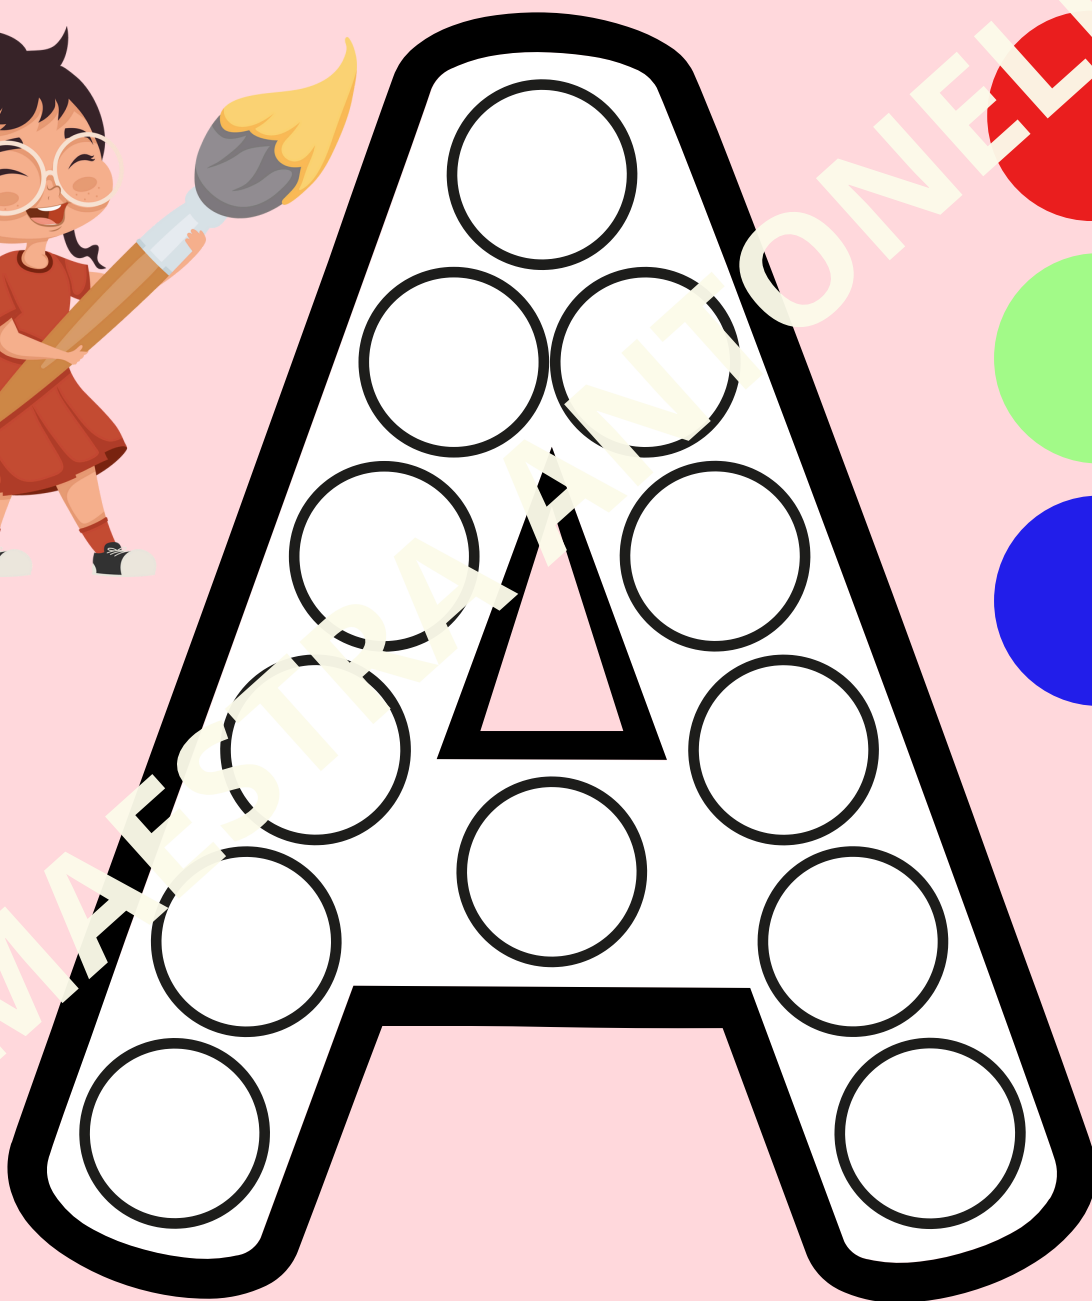

Con la "C" c'è un cavallino,
la "D" diventa un dolcino.
Lettera dopo, ci divertiamo,
e l'alfabeto impariamo.

Con la digito pittura,
fare scuola è un'avventura!
