LE PAROLE

CAPRICCIOSE

+ vocali

Si consiglia di stampare su cartoncino o, come abbiamo fatto noi, di incollare su cartoncino colorato. Abbiamo utilizzato un cartoncino più alto rispetto alla scheda per consentirne un miglior scorrimento all'interno della finestra. Abbiamo anche incollato un cordoncino sul retro per consentire lo scorrimento anche dopo aver applicato la copertina esterna al lapbook.

Quale parola si scrive con Q?

Quale parola si scrive con U?
