# MANDALA

DI NATALE DA COLORARE

34 Disegni da colorare in tema natalizio.

Relax, gioia, divertimento sviluppando la concentrazione e la creatività

Nel cielo brilla una stella dorata,  
è Natale, la festa più amata!  
Con mille colori, la gioia si diffonde,  
e in un mandala si nasconde.

Rosso e verde, blu e oro lucente,  
disegnano storie per ogni mente.

Babbo Natale col sacco si avvia,  
mentre la neve dipinge la via.

Un cerchio perfetto, dai tratti delicati,  
nasconde tesori e soggetti incantati.

Con le matite e un po' di pazienza,  
colori la festa con pura essenza.

Ogni bambino, con un bel sorriso,  
colora tutto in modo preciso.

Tra fiocchi e stelle, regali e magia,  
il mandala brilla di fantasia.
