## LA MATEMATICA INNAMORATA

Samuele compra 124 dolcetti e 85 biscotti per la sua nonna. Quanti prelibatezze le porta?

Per la colazione la mamma ha messo in tavola 88 biscotti da dividere tra i 4 figli. Quanti biscotti ha mangiato ognuno?

Al semaforo un venditore ambulante ha 400 palloncini a forma di cuore.. Ne vende 355, quante ne riporta a casa?

Nel marciapiede di fronte un altro venditore ha 9 mazzi di rose. In ogni mazzo ci sono 21 rose. Quante rose ha in tutto?
