

FLASHCARDS - HOLIDAY IDIOMS

Let your hair down:

to allow yourself to behave much more freely than usual and enjoy yourself

Have a blast:

to enjoy yourself a lot

Be in your element:

doing something that you enjoy because you are good at it

To steer clear of sb/sth:

to avoid someone or something that seems unpleasant or dangerous

To catch some rays:

relax in the sun or sunbathe

A new lease of life:

an occasion when you become more energetic and active than before

Travel light:

to bring very few things with you when you go somewhere

Get away from it all:

to go somewhere where you can completely relax and forget your problems

Hit the road:

to leave a place or begin a journey
