

# *Traccia le linee degli animali*

esercizi di pregrafismo

Tracing exercise featuring four rows of dashed zigzag lines. Each row is accompanied by a cartoon animal illustration on the left and a large, bold, black-outlined word 'EXAMPLE' written diagonally across the zigzag line. The animals are a tiger, a bear, a panda, and a lion. The giraffe illustration is at the bottom left, but there is no 'EXAMPLE' text directly next to it.
